

Dear Valued Patients and Families,

We are thrilled to share some exciting news about a wonderful addition to the Augusta Children's Dental Center team. Please join us in welcoming Dr. Bobby Pittman, a highly skilled and compassionate pediatric dentist, to our practice.

Dr. Pittman brings with him over 20 years of exceptional experience in pediatric dentistry. He earned his Doctor of Dental Surgery degree and has spent decades honing his craft in treating children with the highest levels of care and attention. His extensive background includes a strong focus on IV sedation dentistry, where he has helped countless young patients feel comfortable and at ease during dental procedures.

Throughout his career, Dr. Pittman has worked tirelessly to create positive dental experiences for children and their families. His gentle approach, paired with his dedication to patient care, aligns perfectly with the values we uphold at Augusta Children's Dental Center. He understands the unique needs of children and takes great pride in ensuring every child feels safe, supported, and confident when visiting the dentist.

As we continue to grow and expand our ability to serve the Augusta community, Dr. Pittman's expertise and compassionate nature will play an integral role in helping us provide the exceptional care your family deserves. We are excited about the opportunity to work alongside such a talented professional and confident that his presence will further enhance the quality of care at our facility.

Thank you for trusting us with your child's dental health. If you have any upcoming appointments, we look forward to introducing you to Dr. Pittman personally. Please do not hesitate to reach out to our team with any questions or to schedule your next visit.

Warm regards,

Augusta's Children's Dental Center
